Practice your Fundations Drill Sound Warm-up*

Practice reading your **Fundations** Trick Words*

NOUN

Watch the video above and make a list of nouns in your summer journal. Be sure to include a "person, place and thing."

Back and sack are in the same word family — they have the same ending letter pattern. Make a list of words in that word family in your summer journal, and then make word families for cake, kick, and dip.

Watch [heart magic videos](#) and practice writing the words in your summer journal. What are the parts of the words you need to know "by heart"?

Grab a good book and read outside for 20 minutes.

Listen to a fiction and non-fiction story from [Storyline online](#). Write about your favorite in your summer journal.

Watch the [digraph video](#) and write 3 sentences using digraphs in your summer journal.

Practice writing your **Fundations** trick words in your summer journal

Practice reading your **Fundations** trick words

Good Readers **Think Marks**

- 😊 HAPPY part or a part you like
- ❓ Question about what you read
- ! A part that is interesting
- Ⓒ Connection to what you read

Read a book and jot your thinking using a **think mark!** Record the book title and your thinking in your summer journal.

Watch [heart magic videos](#) and practice writing the words in your journal. What are the parts of the words you need to know "by heart"?

Play or make a **family reading game**.

Explore the **"Weird but True"** Section. Record 3 weird but true facts you learned in your summer journal.

Predict how many pillows are in your house. Now go count them all. Was your prediction close?

Record your answer in your summer journal

Play Ten Frame Mania
[Greg Tang Math - Ten Frame Mania](#)

[The Coolest Job in the World](#)

Write the answer to the "Little Kids" question in your summer journal.

[You'll Never Believe What Money Can Buy](#)

Write the answer to the "Little Kids" question in your Summer Journal.

Sort 10 objects around the house such as toys, clothes or snacks. Sort by color or size or use for example.

Number Hunt! Look around everywhere you go for numbers. How many times can you find the number 10? How many times can you find your age?

Record your numbers in your Summer Journal.
