TRICK WORDS Flashcards

Read a book and jot your thinking using a think mark!

Expand your thoughts as you write several sentences in your summer journal.

GAME TIME!

Play or make a family reading game.

WONDEROPOLIS Where the Wonders of Learning Never Cease!

What's the wonder of the day? Write 3 things you learned in your summer journal.

NATIONAL GEOGRAPHIC KIDS

Explore the "Weird but True" Section. Record 3 weird but true facts you learned in your summer journal.

Find a flower with an odd number of petals. Do all flowers have the same number of petals? Record your findings in your summer journal.

Play Ten Frame Mania
[Greg Tang Math - Ten Frame Mania](#)

The Coolest Job in the World

Write the answer to one of the questions in your summer journal.

You'll Never Believe What Money Can Buy

Write the answer to one of the questions in your summer journal.

I went to the beach on 4 different days and collected a total of 20 shells, but I never collected the same amount twice. What are some different ways I could have found 20 shells? Can you think of more than one way to get 20 without the same number twice? Record your thinking in your summer journal.

If A=1, B=2, C=3...How much would your name be worth? How much would your first and last name be worth? How about the rest of your family? Whose name is worth the most? Record all your answers in your Summer Journal.

Play a card game such as Go-Fish, War, Memory

*See [Link](#) for More Games

Play Math Limbo

[Greg Tang Math - Math Limbo](#)

Big Mouth

Write the answer to one of the questions in your summer journal.

Number Hunt! Look around your house and yard for numbers. Keep track of how many even and odd numbers you find. Did you find more even or more odd numbers? *Record your answers in your Summer Journal.

Use sidewalk chalk to draw 5 rectangles. Draw a line to divide the first one in half. Now try to divide the rest of the rectangles in half a different way. Draw your answers in your Summer Journal.

When Garbage Goes Flying

Write the answer to one of the questions in your summer journal.

I counted 23 fireflies in my backyard and some more flew in and now I see 41 fireflies. How many new fireflies flew in? Make up your own firefly problem in your summer journal.

You'll Never Believe What Money Can Buy

Write the answer to one of the questions in your summer journal.

Sky-High Group Dive

Write the answer to one of the questions in your summer journal.

Winging the Doorbell

Write the answer to one of the questions in your summer journal.

Go outside in the morning and have somebody trace your shadow. Stand in the same spot every hour and trace your shadow until the sun goes down. What do you notice? Is your shadow getting bigger, smaller, both or is it the same?

Record in your summer journal.

The Best Way to Throw an Angry Bird

Write the answer to one of the questions in your summer journal.

To make s'mores for my family I had to buy 2 candy bars for \$0.75 each, a bag of marshmallows for \$2.00 and a box of crackers for \$1.50. Is \$5.00 enough for all the food I need? Record in your summer journal.

Write your full name. If each vowel is worth a dime and each consonant is worth a penny, how much is your name worth? Who has the most valuable name in your family?

Looking for more?

- Read everyday for 20 minutes. There is no better way to keep your skills up and to LEARN!
- Visit the other tiles on the  website ; Big Questions, Atmosphere, Water, and Energy. Explore and/or write about them in your summer journal.
- Visit  daily to learn about the "Wonder of the Day!"
- Complete any other Bedtime Math Story and answer the question(s). Link: 
- Join the [National Park Services Junior Ranger](#) program. Explore the transcontinental railroad, become a junior archeologist, explore the sounds of our national parks or become a junior cave scientist! Choose one of the downloadable books, find your passion and HAVE FUN!
