

# Foxborough Entering Grade 5 Summer Learning Choice Board

<p>After watching a movie, write a short movie review in your summer journal! Would you or would not recommend this movie to friends and/or family. Give specific examples!</p> 	 <p>Explore the <b>"Animals"</b> section. What did you learn? What are you still curious about?</p>	<p>Listen to an episode of the <a href="#">Wow in the World</a> podcast. As you listen, take notes on interesting or surprising facts and then share what you learned with someone.</p> 	<p>Read <b>Because of Mr. Terupt</b> for at least 20 minutes.</p> 	 <p>Read an article from <a href="#">Sports Illustrated for Kids</a>. What was the sport, who was the player(s), what did you learn?</p>
 <p>What's the <b>wonder of the day</b>? Write about what you learned in your summer journal.</p>	<p>Read <b>Because of Mr. Terupt</b> for at least 20 minutes.</p> 	<p>Test your geography skills by playing <a href="#">GeoQuiz</a> or <a href="#">City Guesser 2.0</a></p>  <p>How did you do?</p>	<p>Write at least one word for each of these <b>Greek word parts</b> in your summer journal: bio(life), phys(body), phon(sound), tele(far), micro(small), and biblio(book). Use a dictionary to help! Can you write each word in a sentence?</p>	<p><b>Masters of Tradition</b></p> <p>This interactive story map allows you to explore the great diversity of cultures, communities, and artistic traditions that enrich the United States. Explore and learn about at least 2 people.</p>
<p><b>Nature Observations</b></p> <p>Go outside with your summer journal. Record your nature observations. What do you see, hear, smell? Feel free to include a sketch!</p>	<p>Choose a hobby or sport you enjoy. Write a short informational paragraph about this activity. Include facts and details.</p>	<p>Read <b>Because of Mr. Terupt</b> at least 20 minutes. Which of the characters are you able to relate to the most? Explain why in your summer journal.</p>	 <p>Choose an article to read on <a href="#">Time for Kids</a>. What was the main idea? How was it supported by key details? Share your thinking with someone.</p>	<p>Read <b>Because of Mr. Terupt</b> for at least 20 minutes.</p> 
<p>Explore <a href="#">Ben's Guide</a>. Learn about Ben Franklin and the US Government on this website.</p> 	<p>Read <b>Because of Mr. Terupt</b> for at least 20 minutes. Jot your thinking in your summer journal. What is happening? Are you surprised? What do you think will happen next? What are you wondering? Be sure to be an <b>ACTIVE</b> reader!</p>	<p>What is your favorite thing to do in warm weather? Write about it in your summer journal. Be sure to explain reasons why.</p> 	 <p>What's the <b>wonder of the day</b>? Share what you learned with someone in your family.</p>	 <p>Explore the <b>Space Section</b>. What new information did you learn about space and the planets?</p>

Identify! Identify and classify angles: acute (less than  $90^\circ$ ) obtuse (greater than  $90^\circ$ ), right ( $90^\circ$ ) in everyday things (buildings, bridges, furniture...) Record & Draw in your summer journal.

### Play Math Limbo

[Greg Tang Math - Math Limbo](#)

### The Coolest Job in the World

Write the answer to one of the questions in your summer journal.

### You'll Never Believe What Money Can Buy

Write the answer to one of the questions in your summer journal.

Cindy went to the beach and collected seashells. When she put them 2 piles, 3 piles, and then in 5 equal piles she didn't have any extra. When she put them in 4 piles she had exactly 2 extra. How many seashells could Cindy have collected?

Record in your summer journal.

A firefly in my backyard glows 23 times every minute. How many times would he glow in 5 minutes? 10 minutes? 1 hour? Record in your summer journal.

Play a card game such as War or Memory
