

Getting Ready for Kindergarten!

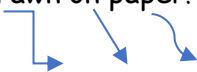

May & June

Read the <i>Cat and the Fiddle</i> at least 3 times.	Play a game using dice. 	Color the <i>Cat and the Fiddle</i> using at least 3 different colors. Then reread.	Find and circle all the letter d's in the <i>Cat and the Fiddle</i> .	Practice saying and writing each letter in your first name.	Try one of the magnetic letter game activities. 	
Play one of the math games in your packet.	Read your little book from your book bag.	Go to the library.	Say and practice writing your phone number.	Build your name with magnetic letters.	Pick up small items (beans, beads, etc.) with fingers and thumb.	
See how many words you can think of that rhyme with at .	Count backwards from 10. Do it 3 times throughout the day.	Draw a picture of your family. Use at least 3 different colors.	Storyline Online Go to storylineonline.net and listen to a book online.	Go on a shape hunt in your home. See how many circles and squares you can find.	Use cereal, peas, beans, or beads to practice counting numbers 1-10.	Write your name in shaving cream, rice, or sand.
Practice saying your address and phone number.	Make a macaroni necklace then count the number of pieces you used.	Wash your hands while counting to 10. Do it three times.	Grab a few books and read outside on the deck or under a tree.	Play a game using dice. 	Practice writing and saying each letter in your first name.	See how many words you can think of that rhyme with moon and then dish .
Read a story and then draw a picture of your favorite character.	Number Hunt! Look around everywhere you go for numbers. How many times can you find the number 10? How many times can you find your age?	Complete one of the magnetic letter activities.	Use your golf pencil to trace lines on a piece of paper. 	Do you think there are more windows or doors in your house? Go around your house and count each one. Were you correct?	Sing your ABC's while pointing to your letter chart. 	Use sidewalk chalk to 1-10.
