

Max

Max quits jobs on a whim. If he gets mad at the boss, he quits. If he is sad, he quits. If he has the wish to get his chums and have fun, he quits. This is bad for Max. He will not get the cash for his bills. Max will not get rich!

Hot Dogs and Pops

Sam sells a lot of hot dogs and pops on hot days. When it is hot, kids get lots. Then Sam gets lots of cash. When it is not hot, Sam has a bad day. So, Sam will wish for the sun.
