

Oh Rats!

**A Short Vowel Word
Reading Game**

**CVC Words
Short 'a' Version**

Kindergarten, Grades 1, 2 & 3, RTI groups, Special
Education

Created By: Kaitlin Resnik

My **Oh, Rats!** game is perfect for literacy centers. Print and cut out the cards. I recommend using cardstock for durability.

This set contains CVC words with a short 'a.' You can use this set on its own, or you can combine this set with other Oh, Rats! games for a mixed review.

Game Directions:

- Can be played with 2-6 players
- Shuffle the cards and place them face down in a pile in the center.
- Players take turns drawing a card and reading the word.
- Players keep the cards they read.
- If a player gets an "Oh Rats!" card, they must return all of their cards to the center pile.
- The player with the most cards at the end of the time allotted, wins.
